

9th February 2021

Dear Parents and Carers

Free School Meal Vouchers for FSM benefits-related families

If you are already entitled to benefits related Free School Meals and Edenred Vouchers, there is a new Voucher Scheme that will be in operation to cover the February half-term break.

You will be entitled to £15 per week per eligible child.

The scheme is run by a company called Huggg.

You should receive your email link from Huggg over the next few days.

Under this scheme there is more flexibility than previously; you can choose which supermarket you would like to shop in (there are 9 choices available).

Please see the link below for guidance on the Huggg scheme.

During the holiday period please contact Huggg directly if you have any questions about the claiming your vouchers.

If you do not receive your voucher email by Tuesday 16th February 2022, please contact the school using the following email fsm@claycots.com.

All vouchers need to be claimed before the Friday 26th February 2021.

Please note that you will be unable to claim your vouchers after this date.

Please note Edenred vouchers will recommence after half-term for a further two weeks from Monday 22nd until the 5th March 2021.

The Government have not given any further details beyond this date.

Yours sincerely,

Andrew Griffin
Executive Headteacher
