

1<sup>st</sup> March 2021

Dear Parents and Carers

### Headteacher update for both campuses

The Governing Body would like to announce that from September 2021 the school will be committed to a 'One School' approach.

This will mean that leadership of the school and both campuses will be led by one senior leadership team.

The Governing Body have a clear vision for a 'one school, one headteacher' model which will mean that Mr Griffin will be leaving the school at the end of the Summer Term and Miss Sarah Mijatovich will lead both campuses from the 1<sup>st</sup> September 2021.

Mr Griffin and Miss Mijatovich will work together in the Summer Term across both campuses to ensure there is a smooth handover and transition. Both leaders will be visible to parents and carers and the children and staff to ensure that the school and both campuses continue to run smoothly.

The Governing Body have every confidence in the new direction, the structure and Miss Mijatovich's leadership in delivering the vision for the school and leading the school towards the 'One School' identity.

Best wishes,

Andrew Griffin
