## Message from our Headteacher

Dear Parents and Carers,

A very Happy New Year to you all, and a warm welcome back to the Spring Term. I hope you and your families enjoyed a restful and enjoyable break. It has been a pleasure to welcome the children back into school and to see Claycots once again full of energy, enthusiasm and smiles.

There is much to look forward to this half term, with a number sports fixtures, visits and workshops and exciting events and opportunities planned across the coming weeks. We will also be holding Parent Consultation Meetings in the final week of this half term.

I would like to take this opportunity to share a few reminders with parents and carers at the beginning of the new term.

### **Reporting Absence**

If you are calling the school to let us know your child is ill, please provide us with details of your child's illness and keep the office updated each day that your child is absent.

### **Parking**

Please can I remind you to park considerately at drop off and pick up as we often receive complaints from our neighbours regarding blocked driveways or dangerous parking.

### **Uniform**

Please ensure that your child is wearing the correct uniform for school and for PE. All of your child's belongings should be clearly named so that lost property can be returned quickly and easily. At the end of term, we are always left with unclaimed lost property, largely because items are not labelled.

We also hold a stock of pre-loved uniform in school, and this can be collected from our Family Support Hubs at each campus on a Thursday at Britwell or a Monday at Town Hall.

Please do check the parent information section of our website for more details in a range of areas: [claycots.co.uk](http://claycots.co.uk)

You can see more examples of what is going on in school on our X (formally Twitter) feed @ClaycotsSchool. We are also on Instagram and Facebook so please do follow us and look at all the amazing learning that is happening in our wonderful school.

I wish you all a restful weekend.

Kind regards,

Sarah Mijatovich

Headteacher

## Attendance

We have seen that a high number of children did not return to school following the Christmas break due to extended holidays. In many instances, the school did not receive prior notification regarding these absences.

Can we kindly remind parents/carers that a Withdrawal from Learning Request Form must be completed at least two weeks in advance of any planned absence and should be accompanied by appropriate supporting documentation, such as flight confirmations or any other relevant evidence.

We would also like to remind you of the Local Authority Penalty Notice changes, which came into effect nationwide on 19 August 2024:

**First Offence** - The first time a Penalty Notice is issued for unauthorised term time leave or irregular attendance the amount will be £160 per parent per child paid within 28 days Reduced to £80 per parent per child if paid within 21 days.

**Second Offence** - Within 3 years of the first offence, the second time a Penalty Notice is issued for unauthorised term time leave or irregular attendance the amount will be £160 per parent per child paid within 28 days. There will be no reduction for early payment.

**Third Offence onwards** - Within 3 years of the first offence, the third time an offence is committed for unauthorised term time leave or irregular attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Fines can be around £2500 per parent, per child. Cases found to be guilty in Magistrates' Court can show as a criminal record and also on the parent's future DBS certificates due to 'failure to safeguard a child's education.

We really appreciate your support in helping us maintain good attendance so that children can make the most of their learning.

## **Letter From Slough Borough Council** **Road works**

Dear Resident,

**Re: A4 Bath Road and Farnham Road works – Cycleway improvement works**

We would like to let residents know that highway improvement works will be taking place from Monday 12 January 2026 as part of the A4 Cycleway and Destination Farnham Road schemes.

The work in this area is expected to last for around six weeks, from Monday 12 January to Friday 21 February 2026, and will affect:

- A4 Bath Road, between the Huntercombe Lane crossroads and Goldsworthy Way
- Farnham Road, between Whitby Road and Salt Hill Way

**What work will be carried out?**

The improvements will include new kerbs and tactile paving, upgraded street lighting, new road signs and markings, drainage works, a new cycle lane, and resurfacing of both the road and footpaths.

**How will this affect you?**

You may notice some noise and disruption whilst the work is taking place, and there may be minor delays, particularly during busier times of the day. However, access to homes and businesses will be maintained at all times.

Some stages of the work, such as resurfacing, may require temporary road closures or diversions. Where possible, these will be carried out overnight and for a limited number of nights to reduce disruption.

Pedestrian access will remain available throughout the works, with clearly signed temporary routes and crossing points provided when needed.

Once this section of work has been completed, the contractor will move on to the next part of the scheme. For more information about the scheme please visit:

<https://www.slough.gov.uk/major-highways-projects/a4-cycle-lane>

We apologise for any inconvenience this may cause and would like to thank residents for their patience and cooperation while these important improvements are carried out.

Yours sincerely,

Freda Fearon

Technical Administrator
